CASINO GAMBLING?

Concerned Citizens, the topic of legalized gambling is at the forefront of a political movement in the Commonwealth of VA. In January of 2019, the General Assembly will be studying a bill that will legalize casino gambling in Virginia. Not only is gambling a sin, but the environment that will come with the casino, is full of immorality as well. Bristol, Virginia may well be the site of the 1st casino in Virginia. On November 1, 2018...there will be a special program provided by the Gospel Broadcasting Network that will deal with the sin of gambling and the evil it will bring. You can view this program at 8:00 PM by going to the following website. (gbntv.org. – just click on “watch GBN Live”)
